

Outcomes & Impact

FUNDED AGENCIES

- ▶ 43 agencies providing 49 programs

AGENCIES RECEIVE

- ▶ Direct funding of programs addressing community needs
- ▶ Valuable training and technical support
- ▶ Network of partners who collaborate to transform the community
- ▶ Community assessment data that informs funding
- ▶ Oversight and assistance
- ▶ Volunteer hub and work days

Community Needs Assessment Findings:

Five Priority Areas:

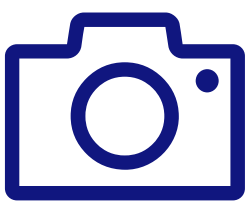

- Substance Misuse
- Mental Health
- Food insecurities
- Alice Population
- Child Well Being

DONORS RECEIVE

- ▶ Dollars are put where the community needs them most
- ▶ Resources are used wisely and effectively
- ▶ Programs are monitored and outcomes are guaranteed
- ▶ Grants are awarded to agencies with the biggest impact

COMMUNITIES RECEIVE

- ▶ Data-driven focus in three broad areas of need
- ▶ Needs across the counties are being addressed
- ▶ Outcomes-oriented effort
- ▶ Administrative expenses are minimized

Big Picture

It's hard to know how to make an impact. We take the guess work out of donating. We see the needs of the community and know the agencies serving those needs. You don't have to worry about whether your donation is making an impact. **It is.**

ANNUAL IMPACT

Almost 1 million
children's meals
and snacks served

Over 3,000
families able to
maintain their housing

Almost 120,000
community
volunteer hours

More than 8,200
Individuals helped
through support
and advocacy
