

# WHERE DOES THE MONEY GO?

## A SUMMARY

### GRANTS

- ▶ The majority of our budget goes into community grants. This includes full partnerships, one and three year grants and our annual discretionary grants.

### INITIATIVES

- ▶ A smaller portion of funding supports community initiatives that supplement agency services such as 211, Career Pathways, and VITA (Volunteer Income Tax Assistance)

### SUPPORT SERVICES

- ▶ We provide monthly trainings, workshops, and technical support to agency partners and the community.

### OVERHEAD EXPENSES

- ▶ We work hard to keep overhead below 10%. Expenses include rent, utilities, salaries, and a 0.05% membership fee to United Way Worldwide.
